

the conversation was well under way.

C. W. C. Newton: This officer, was one of the persons who worked on the Fremont & Mariave films. He indicated that his mother had submitted a UFO report in 1954 of an object which was readily seen in Nevada County, Cal. How strong belief in James.

D. Mr. Landahl: This man appears to have both feet on the ground. Fully certain that the object which he saw with L and N was a flying saucer. No great regard for James.

F. During the period of actual contact James appears to be under great physical strain. His jaw is tense, and pulsates in his neck & temples and very excited (saw very soon the next day)  
James states impression that
