

A. When do you want to see it? Signed APFA

Q. Can we see it now?

A. Go to the mountain. Signed APFA.

(Mr. Lundahl, Cmdr. Jensen & Lt. Cmdr. Neastam all go to the mountain).

Q. Are we looking in the right direction?

A. [Answered vocally:] Yes, Signed APFA.

At this time, approximately 1400, 6 July 1959, these three men saw what they have indicated was a flying saucer. They described the object as round, with the periphery brighter than the center. Lt. Cmdr. Neastam checked with Warby two C-47's (radar) and was informed that for some unknown reason radar return from the direction in which the ship was supposedly seen had been blocked out at the time of its sighting. During the exchange the answer
