

to one of the questions indicated difficulty in penetrating our radar net. [i.e. - physical penetration of our radar net - <sup>slipping through it</sup>]

F. After the discussion and examination of the documents H. Friend requested that Capt. Farn attempt another contact. Farn concurred, but had only limited success. It was indicated in the few answers which he received that this was not the right time. However, it was further indicated that there was no objection to the audience.

G. Mr. Lundahl and all of the persons present indicated that they had known Farn for many years and that he has always been cooperative, quiet, reserved and very conservative. They all attached significance to this experience due to this respect for Capt. Farn and the appearance of Mr. Lundahl and H.C. Newham of seeing what
