Bepus secured in - When I won ^{in 192} I had
to beat 6 State and Sectional Champ - Western
Trans Miss. U.S. Amateur etc - No body called
me a crook and a con man then - I lived
for years in a \$1500 a month suite at
The Brown Palace for while by a queer
good fortune I paid 2400 a month and
\$300 a month after the war - No body called me
a crook then - I by accident 2 weeks after
Pearl Harbor, shut down a \$600' ^{Calif.} lot
at Palms Verdes, and heard about the
Rampely structure - I went there, I grabbed
6000 across against the advice of my own
people in the Newton Oil Co. Not a one of
them had ever bought a dollar worth of
my stock - I gave it to them! They stickave
it to me to this day.
