

5

was earning at the rate of 30 thousand
a month (no body called me a proct. or
an expert - I said "give ^{me} 10,000 cash. Take
over \$550,000 ^{debts} and I'll give you 100% not 45%
because you are a ~~hand~~ bunch of thieves,
and I don't propose to live with you!"

They gave me, after 60 days of wrangling
\$60,000, and I got loose my Kansas properties

They paid the \$550 m. of debts - (no body
called me a proct. and an man) then

I got my friend, his liquor licence when
25 witnesses swore that drunkness, fornicating
etc. was common around his club and
on the grounds. This man was a nut
about manages and he was always sending
me free marriage tickets. For years after
