stairs to his labile room where he fornicated
with his lady patients and bragged about
it. He put Bob on the stand, his feet in a
tub of water. Turned on the jukebox, and
after 20 minutes, Glader said I can
do anything, said. I said Fine, what
are those drilling rigs in your yard?
He said they are my rigs, I'm rebuilding
them - in the oil business. Bob said
Mr Newton is the President of the Newton
Oil Co, and he opened the great Rangely
oil field, He is Vice Pres of the Rocky
Mtn Hospital and one of its Founders.
Glader said "One of your Hospital directors
knows of my work, but how about
me drilling a well for you at Rangely?
I can do it with 500 ft of pipe."
