is here, can you come out now?" I went,
climbed stairs to his office and there
were 3 men on a lounge seat, Flader
said meet Mr Marshall Dr Getzauer
Mr Don ^{James} (somebody). I said which man
is your scientist, and he said "Doe is
my man." 30 minutes later, I said
Flader this man knows what he is
talking about, but where is his
machine,? and there is no place here we
can see it work? He said come with
me-? Down stairs and out to a big
Chrysler. This box was about 15 inches
thick - 18 in wide and 36" in long. I
helped pick it up - to see how heavy
it was. (Later to fly with it was
impossible.)
