

W. On Aug 31st I returned Denver and
went to see Flader. I didn't want to see
him I caught his man cheating so
I said Flader this man has something
but the Oil Fraternity won't accept it
because he doesn't have any automatic
recording device on this machine
so he can't take recording like a Shumaker
Survey - "He said I am buying ~~for~~
a panel truck and he's going to
put these devices in it." He did exactly
that and 3 mo later when he topped
the pay at Sutton creek at 5700 feet 700'
below the old pay I turned up with
Jacobson & Marshall who trailed him
every where he went. First we had him
