

his 1st ops - He said "when I write another
book. I won't meet you", Doing books is my
business. This guy said "I'll take me in
or I'll write a story exposing you and the
whole saucer story, the Govt view is that
there's no such thing - Scully threw him
out on his ass. This guy wrote his lying
yarn, sent copies to magazines over Country
True Mag. - saw a chance for big sales
Pd \$500 - and ran it, after running out an
\$3000 commitment to Scully for a story
Kahn went to Denver, some how
he found Flader - Flader and Gelbauer
had parted company, and he said let's do
anything to get this Gelbauer. It lasted
a week for 3 year limit to expire on a
for and action and they had to have 2 people
to make a conspiracy case to defraud.
Kahn said let's claim Newton was a secret
