my company Treasurer present, as we delivered
the Newton All Co file, to be sure that any
thing HeBauer claimed as to his dealings
with Glader to be sure it was in writing
and properly signed, all this said in presence
of HeBauer, who had proved to be a professional
liar. ^{I had not been him in 2 years.} He claimed all his dealings were covered
by properly drawn contracts, and that he would
produce them. He also claimed his degrees
from Universities every where. He finally
produced one, and what do you think it was
It was a correspondence degree from an
obscure naturfathic school in Houston Texas
where he never been. he can't the D.A. produced
