

- ⑥ "No registration of a silo." Why or where - spell this out!
- ⑦ your claim that you had come from Venus - "A new and a real lie. When and where did I do this?"
- ⑧ at various times --- investigated by Secret Service, etc. What is the "etc" In the Fed case Secret Service Exchange reported to have a file on 2 of the defendants, not me in any way. They were never called down - but were transferred out of Bureau after I was cleared as were the other defendants
- ⑨ You wanked for me - and if Patlatch, and their face honest brother than than would question your introduction you should see they have no faith in you in who they are - why the hell didn't they ask Pellard, "Do you favor this Socialist & Trotskyist Kewlar? The same savants in Washington look after me for years and the same keep on flying regardless of that entire case '50,000' wrote at this of all? The whole mess stinks the nose talk, so Delak my friend. Don't try to defend me. Please do not let people trust me!
