

how what does this long tiresome tale add up
to? 3 times before the trial was held
I was approached and propositioned by secret
"agents and they all said the same thing
"listen if you will tell us where you
got your information about Flying Saucers
we will have a motion made and throw
this case out of court." ^{me} An informer! My
answer was the same all the time. The Gov.
says all the time there's no such a thing
as saucers. so how can I inform you
about something you say doesn't exist?
Their answer was "you know different."
This same routine ran thru the Federal
