I swore again and again ^{never to tell this story} that the news given you the story every word the weather can be proven, but so what the use of me meaning I would never mention this filthy rotten case again - I sued for libel 18 people in the U.S. Court at Tucson - could not get service in True Mag - they claimed I could not serve them in Ariz. as they were a Delaware ^{corp} - I got the 18 to Tucson and it cost them in total 10 to 12 thousand dollars to have attys file their answers. I did not have \$20,000 to take depositions in Arizona and Delaware so the case died. My brothers tell me to forget it. and move on to the great work we now have -

You should get 2 million from Stone to carry on the great work you have started in the U.S.P. and you propose to get experts to ~~develop~~ develop a great
