

accounting - & admit do one thing so: have
you run the risk of losing this valuable
contact, Stone? But watch your own step
his own gang in the Ins Co. are dangerous
and they'll demand control of you. E.S.P. work
if Stone gives you not right 2 million -
You now say you and Pallard didn't go over
board with the Germans - I can't take that
just now because of this story he had to
~~to~~ lay in these written lines -

Don't forget that paragon of great people Dr ^P
gave me a hot check for \$10,000 that got me
kicked out of a good bank, and actually
that incident caused the V.P. in the bank to
drop dead - and the bank was taken over
