

by United California Bank - Sure that made  
it good between L.S.D. shots but lost his  
clinic and is now an absurd little country  
doctor - you will get \$10,000 from what  
he did. What you do with this money is  
none of my damn business.

I'm flying to Honolulu Sunday. My Dr is  
taking me. Edgar Casey has come in and  
has diagnosed the cause of my imbalance  
and is treating me. At his treatment works  
and I'm not in your dog house in your  
next big workshop. I might relate this story  
to makes sense to Dr. Hayes and Dr. Potundi,  
who feeds me.

Love and blessings my friend.

This story was pired by me on a well we had  
him in charge of. a Salt Lake concern hired  
him and I told them about him. They said I

Flader pd. me \$10,000 and I gave him  
30 days to pay the balance. He paid me  
all fixed \$4,000 - He moved the new rig
