

heart at 69. He had 7000 stockholders
It took 10 years for the Directors to rid the
Co. of the cripple who when my father had
endorsed in blank his stock, so the Co would
belong to the stockholders - wrote his name in
the assignment blank space and told my father
'It's my charter now' Brooks came in 1910 also.

Your man Stone is in a big line combine,
I hope the best for you keep my name out
of the picture, I know where the oil is in
the Warren district, The Germans don't know.
With 2 million, I can bring in that field and
my gas field, and make the U.S.P. secure
with 25% C.W.D. interest -

Yours as ever Sycee-
