

him, advised me as to the possibility
of another people on another planet
who under controlled conditions could
talk with people on this planet.

Many things occurred from 1958 into
1960, from the date of my operation in
the hospital in Denver. That satisfied
my scientific background training -
Some of these incidents I have related
to you - The known presence of these
other world people on this planet long
ago convinced me that they are
real, and far superior to earth people
intellectually, scientifically and otherwise.
They know the secret of longevity and
