

Feb. 1968

BOLAND JONES, Physiotherapist (523-1627)  
831 N. E. 20th Ave., Ft. Lauderdale, Fla.

Reputed to have raised \$275,000 from the Ft. Lauderdale area for oil ventures. One area is Arizona-New Mexico for a Cy Newton; another <sup>1st</sup> Indiana. Newton has long record in D & B <sup>REPORTS</sup> for suits and unpaid claims in Colorado area. It appears Jones and Newton have joint interests on Metaphysical things. Jones brought a quasi Garu, Duke of X, Founder of Pleuroma Order, Los Angeles, Calif. to Ft. Lauderdale. Geru is an Englishman with an entourage. Newton in 1957 desired financing for a mercury mine factory in S.W. New Mexico mountains. Newton claims contact with UFO since 1947 and in Frank Scully's book, to have seen such dead occupants in Framington New Mexico. He says, all was seized by US Air Force and he was requested and later hounded into secrecy about this incident. Newton's address is Garden Apartments, ~~Sidney~~ ~~7021 Hollywood Blvd., Los Angeles, Calif.~~ <sup>Also 3500 W. METROVA</sup> 7021 Hollywood Blvd., Los Angeles, Calif. (ph: HO3-1141). Newton is reputed to claim that his oil discovery is worth millions, equally so with a mercury mine and now in silver. Says others are trying to steal it from him is the reason for his secrecy. Many of his claims are not provable, such as his head jerks when the Flying Saucer Boys "contact him". Newton has offered to give to ESP Associates, which is headed by Harold Sherman, an interest in his properties. So far contributions are nil. Harold Sherman is a well known writer and lecturer on ESP, Power of Positive Thinking etc, and has an excellent reputation. He is a family man with a wife and two daughters.
