Dear Mr. Coleman,

I have written to hopefully get your assistance related to the article that I have enclosed. I have marked in yellow statements that were supposed to have been made by you. I would like to know from you whether or not you were correctly quoted, and if not what is accurate.

Further to this I would much appreciate it if you could answer two questions related to what you said.

1) You state that the "document is authentic." Did you see the document?

2) Do you know who wrote the CIA memo in question?

I do hope you will be able to help me with this matter. Looking forward to hearing from you.

Yours truly.

Grant R. Cameron
