Rough sketch of corpse, lying face up, as witnessed by Morse from approximately 50 feet distance.

"I'm no artist, " he apologized, "but it's my impression of something not human." He did not observe details of the face, hands or feet.

This drawing reached me by mail February 21, 1985. Of note, previous drawings, mailed January 30 and February 11, 1985, were never received.
