

**Question I: ETs landed and you could choose
who should make first contact, it would be:**

Internet [N=2046]

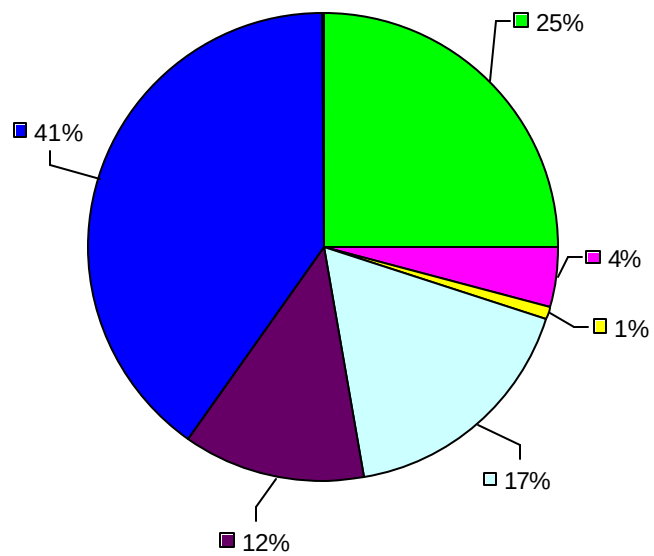

Roper [N=1971]

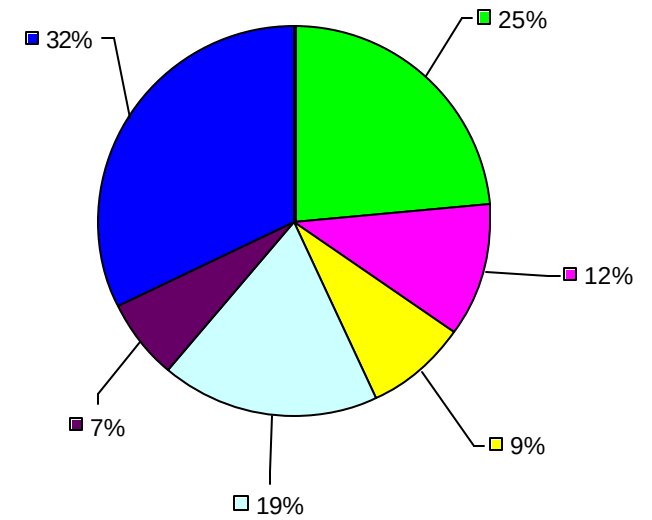

- The military
- The scientists
- Washington, D.C.
- The religious leaders
- A private organization that has planned for such a contingency
- No answer

Question II. Do you think UFOs are:

Internet [N=2046]

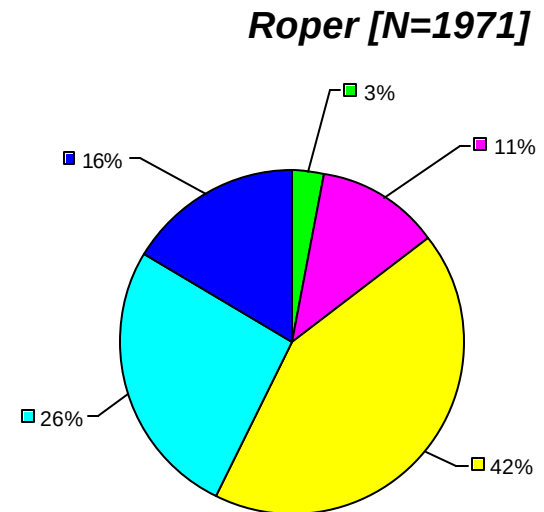

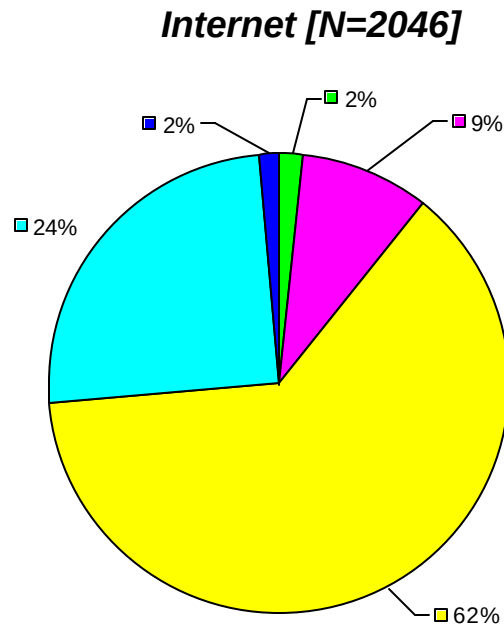

Roper [N=1971]

- Alien spaceships
- Secret government programs
- Hallucinations
- Normal events that people misinterpret
- Travelers from other dimensions that are always on planet Earth
- I don't know

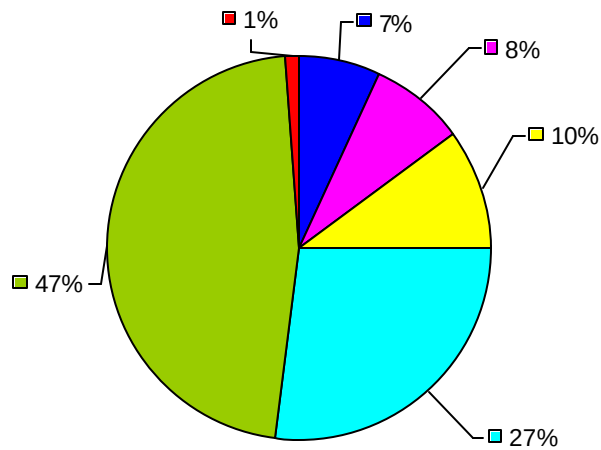

Question III. If I believed an announcement that an advanced extraterrestrial life form had been discovered, it would change my life style:

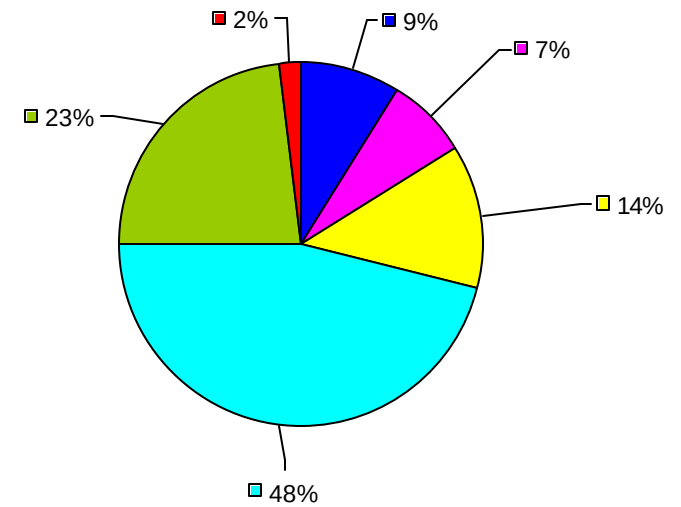

- To a very large degree (quit my job, take up arms, leave my home, hide in the hills, etc.)
- To a modest degree (I'd rethink my religious beliefs, take a vacation, etc.)
- To a slight degree (I'd watch the announcements and continue my life)
- Not at all (I knew it all along or there is nothing I can do about it anyway)
- Who cares

Question IV. If undeniable evidence of the existence of advanced extraterrestrial life were confirmed by U.S. government agencies, I believe they would:

Internet [N=2046]

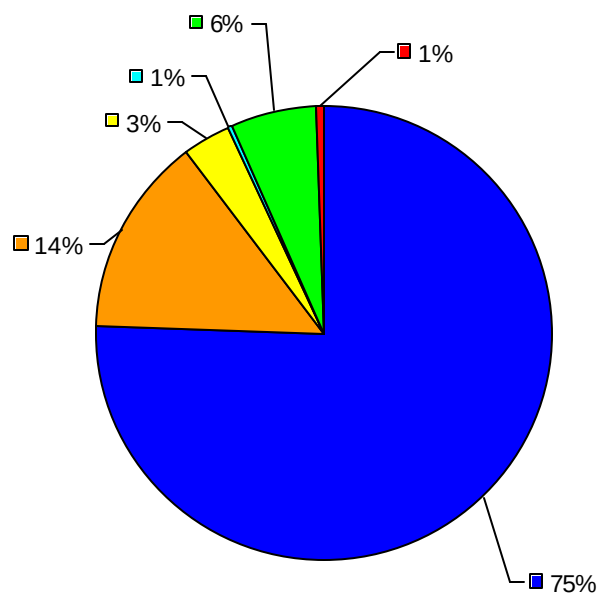

Roper [N=1971]

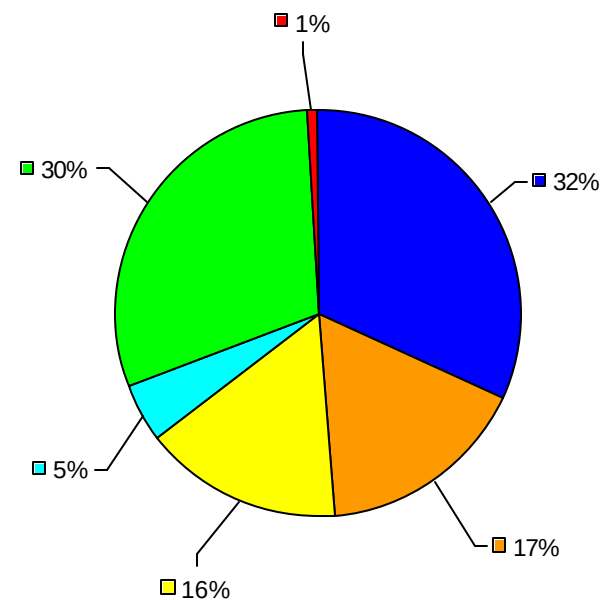

- Advise the public of the findings.
- Convene a civilian scientific panel that would study the topic.
- Conduct a study by Government scientists and release the information.
- Classify the information and not allow it to be released to the public.
- Classify all aspects and move to suppress civilian sources from obtaining or disseminating information about the topic.
- No answer.

Question V. If undeniable evidence of the existence of advanced extraterrestrial life were confirmed, psychologically:

Internet [N=2046]

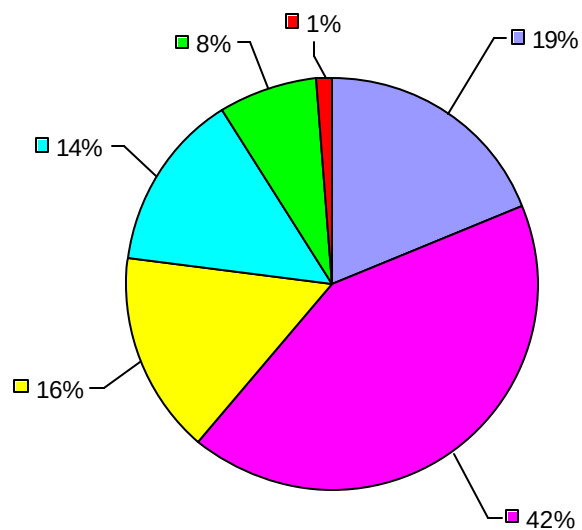

Roper [N=1971]

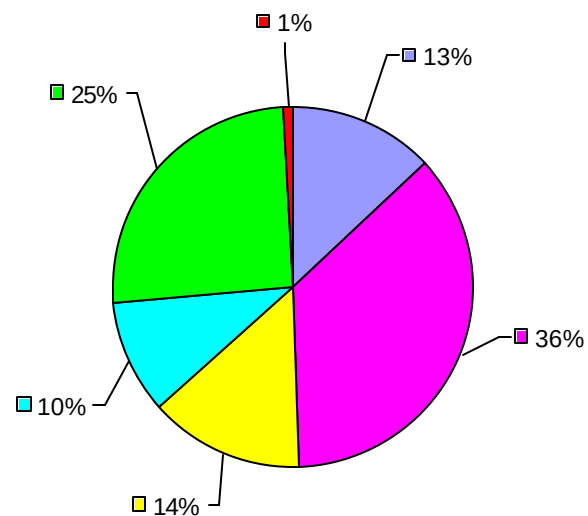

- I am fully prepared to handle it.
- I would have to rethink my place in the Universe.
- I would be seriously shaken.
- I would be distraught to the point of potential suicide.
- I don't care one way or the other.
- No answer.

Question VI. If undeniable evidence of the existence of advanced extraterrestrial life were confirmed, I believe that others:

Internet [N=2046]

Roper [N=1971]

- Would handle the information in a calm and rational manner
- Would be very concerned
- Would begin to act very strangely
- Would act irrationally and become dangerous to others
- Totally freak out and panic
- No answer

Question I. ETs landed and you could choose who should make first contact, it would be:

	Internet	Roper
The military	74	398
The scientists	852	570
Washington, D.C.	59	282
The religious leaders	95	215
A private organization that has planned for such a contingency	918	396
No answer	48	111

Question II. Do you think UFOs are:

	Internet	Roper
Alien spaceships	510	501
Secret government programs	82	236
Hallucinations	16	174
Normal events that people misinterpret	353	381
Travelers from other dimensions that are always on planet Earth	254	144
I don't know	819	631
No answer	12	3

Question III. If I believed an announcement that an advanced extraterrestrial life form had been discovered, it would change my life style:

	Internet	Roper
To a very large degree (quit my job, take up arms, leave my home, hide in the hills, etc.)	36	62
To a modest degree (I'd rethink my religious beliefs, take a vacation, etc.)	182	226

To a slight degree (I'd watch the announcements and continue my life)	1278	836
Not at all (I knew it all along or there is nothing I can do about it anyway)	511	513
Who cares	29	324
No answer	10	9

Question IV. If undeniable evidence of the existence of advanced extraterrestrial life were confirmed by U.S. government agencies, I believe they would:

	Internet	Roper
Advise the public of the findings.	133	181
Convene a civilian scientific panel that would study the topic.	169	141
Conduct a study by Government scientists and release the information.	205	274
Classify the information and not allow it to be released to the public.	557	939
Classify all aspects and move to suppress civilian sources from obtaining or disseminating information about the topic.	960	459
No answer.	22	44

Question V. If undeniable evidence of the existence of advanced extraterrestrial life were confirmed, psychologically:

	Internet	Roper
I am fully prepared to handle it.	1547	631
I would have to rethink my place in the Universe.	286	326
I would be seriously shaken.	70	313
I would be distraught to the point of potential suicide.	8	93
I don't care one way or the other.	125	592
No answer.	10	16

Question VI. If undeniable evidence of the existence of advanced extraterrestrial life were confirmed, I believe that others:

	Internet	Roper
Would handle the information in a calm and rational manner	397	259
Would be very concerned	854	714
Would begin to act very strangely	322	277
Would act irrationally and become dangerous to others	294	203
Totally freak out and panic	158	502
No answer	21	17
