Sir

Bunnan
16. 7.04

I received the appointment
as Post Mistress and Telephone
Operator for Bunnan, but
when I applied for same I expected
to get the same salary as the
retiring Post Mistress. I may
state the hours are long, as
the mails do not close till
half past nine P.M. and are
despatched at ~~half~~ six A.M.
There is £9.0.0 per annum out of
the salary for rent of the office
Premises.

Trusting you will
reconsider your decision, re-
reduction of salary

I beg to remain
Sir

your most obedient servant
