

Boss -

I have summarized  
D-74 [redacted] - in to  
[redacted] on Friday.

Would you be so kind?  
Since I'm isolated  
today.

If you want, Ireal  
may be able to answer  
some question - or  
me. We really should  
give him a call, even  
though the results are  
unclear at this time
