+09   Something about a car..... he was looking back over right shoulder --- like
looking out right rear window..... smaller than standard size car ---
+10   close to left curb..... face of attractive woman ---- late 20's, early
30's ..... at end of street is large gigantic building --- what is he
doing   he's startled about something --- just made a mistake
---- look of surprise when he looked over right shoulder ---- what
+15   was he doing before the surprise..... at first, thought he had a
camera --- little something in front of his face --- CB or
something --- looks like CB or something .... looking around --
like he was looking for a landmark, (writing) what is he writing ----
Somebody told me, he uses clipboard ---- punches holes as well
+20   as holds paper ---- tell me what he is writing ---- "wish I had a mirror"
---- some of the stuff looks like it's backwards ---- (long pause) -------
couldn't read this stuff --- image of --- dead man w/ dark suit, white
+25   shirt & tie, short hair ---- he was thinking of this person -- something
to do w/what ████ is now doing --- dead man occurred sometime SG1A
in the past --- something about locations and locks ---- keep
seeing --- very lrg bldg cplx --- reminds me of castle ---- CLIPBOARD -
blue book w/ brig cover --- book is not here --- what is relation
+30   of book to actions   reference book, standard --- seeing a batch of
blinking No's: 49, 3, RELATION OF No's --- to the book ----
