provided in this session. The last para-  
graph provides a similar circumstance  
that apparently was supported by the  
(remarks continued) Subject. He was in a sensitive environment; he  
was mixing with the people for information and he at times  
using an assumed cover for action. This session provides support  
in verifying Subject's presence in the target area; covering his  
assigned targets and conducting his actions in the manner  
that he had described. More detail could have greatly  
increased the value of this session.
