+2 2 Glass doors - hallway - end of hallway another long hallway

base Room on right - large counter

Bank windows - nobody in this room

office - length of corr. box - very dark

nobody on this floor - guard at door

- standing by door - funny looking gun - holes in barrel - dark coat & hood, grey pants

long strap on shoulder

- stairs on right inside door

- Go upstairs -

turn in the stairs - then another double set of doors - short hall-way T intersection

base room - hallway to L - looks like lounge

- wood panels, furniture - paintings on wall

- end wall no windows - windows on front wall

- 3 office rooms on L along long corridor

- small office on right a short corridor

goes to large office - windows all way around

- nice carpeting & good furniture

- many people - sitting & talking - some kids

Sitting in a circle - 8 people, some have

guns - most don't - impression of interruption

- don't see any hostages - come here sometime

Approved For Release 2000/08/07 : CIA-RDP96-00788R000800190002-3 talking

& discussing no armaments to be much older -

- 2 bathroom on floor -
- 2 " on ground floor -
- older guy giving instructions to these people
- guards at end of ~~people~~ bldg
- " by road
- van in entry - store entry way, corner of bldg - guards under street trees
- long low bldg - guards <sup>sleep</sup> under trees
- watching gateway, watching road
- Digging in the ground by the road
- look like plots in the ground - recent
- small sticks in the ground
- like stone along the road

+20

+23

- 1 guard inside door
- 8 people in room - no other people
- guard at end of bldg - watching guards under trees
- wear, wind-breakers - belts and wrist
- funny guns, different - large hobs - look like BARs - holding in fleshy arms - c-ships
- guards in trees have rifles - shotguns
- loose atmosphere - not all have guns,

+27

- some all have weapons.
- Strange - looks like they planted garden using large trunks for staking.
- Trunks are mined or booby-traps, if you

+30

- Don't see any hostages !!
