SUM:

Rough land which is dry, brown rocks, Prob. dry, open and vast. There is a valley. Possibly similar to BLNP. End

96-00788R001

Time now their only enemy, medieval walls that once shut out Afghan hordes hug the ruins of Bam. The fortified town of sunbaked brick, abandoned in 1850 for a new city

nearby, lies beside a lush oasis on the western edge of the Dasht-e Lut, a vast desert. Iranian archeologists, directed by the Queen, preserve and restore this and other memorials to the past.
