REMARKS

I haven't been able to catch Hal, so I've asked him to see you. Please talk to him about the legal question I got from OTJAG/OAGC concerning CDR, INCOMINT intent to allow outstanding contracts and training (by the contractor) to extend to 31 Dec 84. The concern is about the legality of extending the contract completion date past the end of the FY.

We paid full amount in advance by letter order on 7 Nov 83, payed \$ Nov, with 12 mo to complete work. Only potential problem is what FY Hal's funds were from.

DO NOT use this form as a RECORD of approvals, concurrences, disposals, clearances, and similar actions *Jerry*
