FOR MG Stubblebine, CG, INSCOM

SUBJECT: DIA Psychoenergetic Funding Initiative (S/CL-2/NOFORN)

SG1J

1. (S/CL-3/NOFORN) I received notification on 17 May 1984 from LTC Fox, DAMI-ISH, OACSI, DA and confirmation on 18 May 1984 from [redacted] DT 5-A, DIA that MG Odom, ACSI, DA did not approve Army's continuation of the DIA's psychoenergetics research effort by accepting \$600K USDRE P-6 funds.

2. (S/CL-3/NOFORN) The INSCOM CENTER LANE Project (ICLP) was not directly involved in the DIA/ACSI action and, therefore, is not in a position at this time to provide details on either alternate courses of action available to DIA to finance their psychoenergetic initiatives or the rationale behind the ACSI decision. No immediate adverse impact on the ICLP is expected as a result of the decision, but if DIA is not able to continue its R&D efforts by FY 85, the ICLP will have no R&D base from which to plan its activities for FY 87 and beyond.
