WORKING DRAFT

Special Actions Branch: Mission and Functions for Internal ADCSOPS-HUMINT use.

(C) Detailed data regarding SA Branch mission and functions is limited to a strict "must know" basis by OACSI, DA directive. Per CG, INSCOM direction conducts specialized intelligence collection operations in response to INSCOM, departmental, and national intelligence needs. Manages and implements specialized training programs to maintain unit and personnel readiness. Maintains specialized communicative interface with supported agencies for non-standard intelligence information reporting.
