rolling land. There are a dry
dusty and sharp smells, taste is dirty.
The area is wide and across. There
are a series of structures at site.
Temperature is warm and hot. Structures
comprise some sort of series. One
structure may be different from others.
It appears to have some sort of
down or underground component. One
of structures has some sort of triangular
component. Another structure has
an around compound and is bent and
leaning.

There is a square at side, something
like (AOL) [a company that on a village plaza].
THERE IS A TOWER AND A DORM
AT SITE. THERE IS AN AREA
WHICH IS HOLLOW, DOWN AND UNDER.
THIS AREA IS DARK AND DANK AND
REALLY GIVES ME THE CHILLS. IT IS
NASTY AND PROBABLY IS THE SAME AREA
THAT PRODUCED THE STAGE II AI OF
CONFINING AND SUFFOCATING.

I GET THE IMPRESSION OF

PEOPLE HERE BUT THEY ARE DISTANT/4A
'AND HAZY. HAVE A EXTREMELY DIFFICULT
TIME PICKING UP EMOTIONS. THERE
ARE BODIES AT SITE, BUT THIS
DOES NOT DISTURB ME AND I GET
NO EMOTIONS FROM BODIES.
