1. (S/NF/SK) TASKING: (See ~~name~~ same as CRV session #1 of SRV scenario)

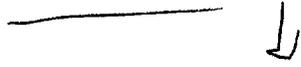

2. (S/NF/SK) SESSION: Same encrypted coordination as CRV session #1.
Proceeded per SOP.

3. (S/NF/SK) SUMMARY: Site involves a group of people, males and females, who ~~are observing~~ are observing an occurrence at a distance. People are taken aback ^{at the} "unexpectedly expedited" - either as a result of premature occurrence of event, or unanticipated scope of results. Military is interested in project to see if useful applications exist, but civilian representation and control is extensive. 'Occurrence' involves a large area above ground and creates a brilliant, intense, pure light and light colors. Physical sensation of something ^{neither solid nor liquid, rushing past.}

4. (S/NF/SK) FEEDBACK - All Picture of event shown to source.
