

From 032030 July 1986 to 062300 July 1986 has been nicknamed Liberty Weekend, the "100th Birthday Party" for the Statue of Liberty. Such events are thought to provide lucrative opportunities for hostile terrorist activities. If such activities do occur or can be thwarted, they would most likely be reported in the Washington Post on Monday, 7 July 1986.

So that we may have the opportunity to thwart any hostile terrorist activities, describe the Liberty Weekend story as reported in the Washington Post on Monday, 7 July 1986.
