Mudcray road

what kind of truck?

slats on side but is completely  
panel solid w/ boxes

- : small truck - 20' to 25'
- : not a semi or long delivery truck
- W/s of flat bed farm truck

- Small light colored cars in front of,  
behind, truck - one in front is some  
distance ahead.

PI

Nauseous feeling -  
just like before when  
ever I come across  
cocaine.

Feeling of nausea occurred mid way  
down the 3d peak in ideogram  
again just before the end.

[What is current location of cocaine per 92-42-0?]

As  
Bel; moved via large brown wooden box carts.

Await; remainder of shipment; feels like it was moved in two loads.

worked wood  
As furniture - tables, frames

~~await  
via land~~

awaiting  
loading

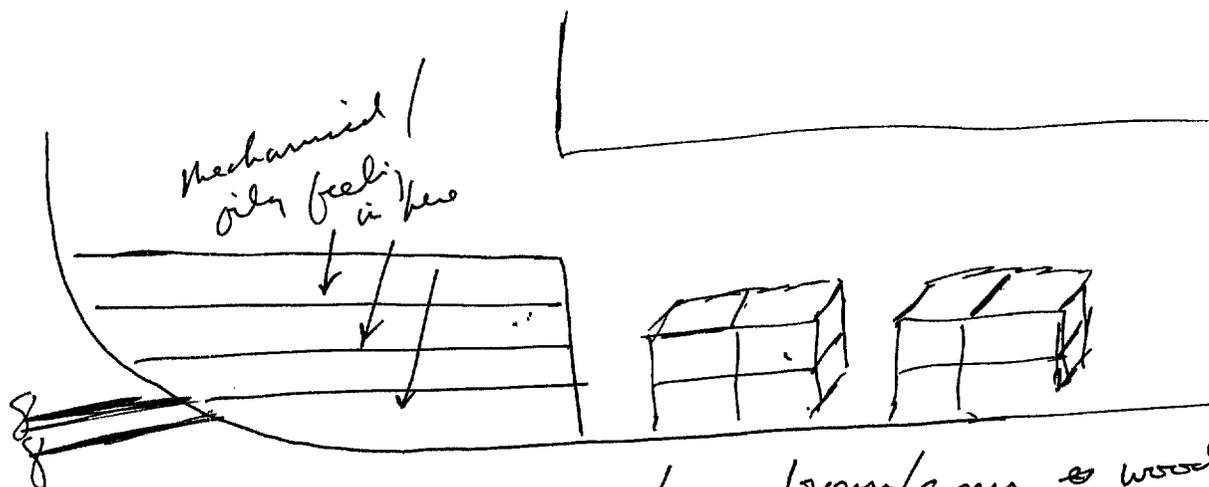

~~or  
ship~~

other:  
change of  
plans

await  
via plane

await  
via  
ship

[Location of container 0/coke]

Boxes contain  
 objects that are some  
 how associated w/ crew  
 of bedrooms, ~~etc~~,  
~~beds etc~~  
~~in the area~~

Large brown/green & wooden  
 boxes; sit next to hull on  
 both side of ship; immediately  
 in front of a container,  
 oily / mechanical feeling  
 area

A/S

Engine room  
etc.

Moves straight through;  
 in other words, it doesn't  
 sit around awaiting loading;  
 immediately transferred to  
 vessel.

2)  
[Any other pertinent data on  
location of cocaine?]

6-8 armed men  
watch cargo inside  
of hold. Watch it has  
it is moved into place.
