PURPOSE/FUNCTION OF THIS CPLX?

manufacture
put together
make
create
assemble
ship
transport
track
weapons
munitions

1/2 - not really upus - more munitions
testing, developing - new stuff - and old stuff
critical is new stuff - secret - guards - controlled access
- guarded sections - some sections more critical/secret than others

S-5

NEW STUFF!!
OBJECTS EMS

Shells
bombs
mala
projectiles
arty

ATTRIBUTES

arty
air
land
sea
spray
canister
rocket
mist

SUBJECTS

air delivery
chemical
biological
non-explosive
gas
vapor
liquid
aerosol

TOPICS

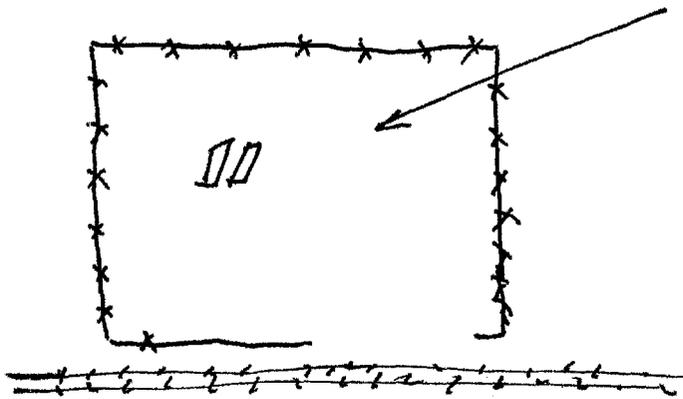

military
depth
wild
lack of principle
" " - control
missile
abuse
frightening

AI!!
1/2 - perceptions of use by uncontrolled, unskilled personnel under watch of someone else, but still not right somehow, something missing in the SAFETY equation, insane, mad, wild, ruthless - w/o remorse - revenge - lack of ethics

VIEWER 1/2 IN DRIVE // 1/2 ON TARGET!!!

bales
crates

wood
old

4 1/2 - small gauge rail - smaller than usual.

wooden cars
rusty metal
old
animals

4 1/2 - small cars, like mining cars - not large gauge
RR cars

AOL
Tropical

Tracks are old

4 1/2 building was originally used for something else - taken over
or purchased by present occupant

bowls
pots
tubes

rolls of wire
burlap
munt wood

A/S
like pine or
some soft wood

creosote smell

old concrete
insects
tunnel
overhang overgrowth
vegetation

THE PURPOSE OF THIS FACILITY IS FOR STORAGE - WHAT IS BEING STORED?

DRUMS *
bales
crates

DRUMS *

4 1/2 smaller drums go inside larger drums

55 GAL DRUMS - SOME SMALLER

WHAT'S IN
LITTLE DRUM?

FUEL OIL OR KEROSENE in big drum

clean crystals

white with bits of black... like jewels

A/S
like diamonds

plastic wrapper

ANY MARKINGS?
ON DRUMS

4 1/2 - drums are black, blue and red - not uniform in color or
condition

AOL - DRUGS
OR POWDER

1035 hrs - ABORT
