1. (S/NF/SK) MISSION: Stage 4 training. Site was a 
2. (S/NF/SK) VIEWER TASKING: Coordinates 5140/0044.
3. (S/NF/SK) COMMENTS: 025 did a fairly good job during this session, but still required a little bit too much coaching (in Stages 3 and 4) from the monitor. There still exists a tendency on the viewer's part to try and immediately reach for the higher-level, more abstract concepts (mostly Stage 5s) before achieving solid sensory (lower) contact with the target and its associated tangibles. These points were explained to 025 in the post-session discussion.
