PROJECT SUN STREAK (U)

WARNING NOTICE: INTELLIGENCE SOURCES AND METHODS INVOLVED

PROJECT NUMBER: 0048 SESSION NUMBER: 1
DATE OF SESSION: 2 JUN 88 DATE OF REPORT: 2 JUN 88
START: 1423 END: 1509
METHODOLOGY: CRV VIEWER IDENTIFIER: 025

1. (S/NF/SK) MISSION: Stage 2 training. Site was Colonial Williamsburg, Virginia.
2. (S/NF/SK) VIEWER TASKING: Coordinates 3724/7642.
3. (S/NF/SK) COMMENTS: 025's best session to date. The only difficulty encountered was a failure to recognize and decode a double ideogram (025's first; a street gestalt). Otherwise, the major site gestalts were perceived and an acceptable number of Stage 2s were objectified. Noteworthy was the description of the "red band in front of the structures; symbolic, representative, long length, short width, etc". Both a red band in the American flag as well as a red-coated colonial band are present in the feedback. "Symbolic" and "representative" are the type of very high level concepts which rarely appear in Stage 2--definitely precocious psychic behavior on 025's part.
4. (S/NF/SK) EVALUATION: [S]

COLONIAL WILLIAMSBURG

and capital of Virginia, eighteenth-century America lives again for the joy and enjoyment. In preparing the painting, the artist has omitted many trees to show the structures rendered in color are parts of the historic area.
