Interim summary

- structure is largely ^{open} domed shells, open + airy. Colors used include gray, blue, white, ~~something~~ black, green. Roof is high. Something with water. And people are present. Reminds me (AOC) of a mosque. ~~and~~ previous. One site. There are people. There is motion + activity and it's loud. There is also - pulsing sound.
- (Don't feel that this a work place but is somewhere people go like AOC a church hall.
