FRONTLOAD:

" (DISPLAY SKETCH OF CIRCLES LABELLED area I and area II). THIS TWO CIRCLES REPRESENT THE TWO AREAS YOU HAVE DESCRIBED DURING THE PREVIOUS TWO SESSIONS. Area I (THE TOPMOST) IS MORE MILITARY WITH A FEELING OF ARMOR VEHICLES AND DECEPTION. Area II (~~THE~~ TO THE SOUTHWEST) IS MORE AGRARIAN AND NON-MILITARY. BOTH ARE CULTURALLY SIMILAR. DURING THIS SESSION I WILL AGAIN ASK YOU TO VISIT BOTH SITES SEPARATELY BY GIVING YOU THE COORDINATES SEPARATELY. GENERALLY TOUR EACH SITE AND WHEN APPROPRIATE I WILL ASK YOU TO PERCEIVE THEM SEPARATELY BUT AT THE SAME TIME. AT THAT POINT WE WILL MOVE TO THE AREA IN BETWEEN AND BEGIN THE NEW TASKING."

309000/179745

7-22 Mar 84

★ Very high, rough, more roads

→ Describe the roads between the two sites.

★ Very few, direct road, maybe not

→ Direct road

★ I'm not sure, not direct, passes, up and down, looking for man, other roads further south. Some roads-

→ Describe the best road between the two sites -

★ Two answers - site II down in opposite direction, two lanes, improved, across, downhill, sharp turn, road dead ends, greater dead ends, sharp turn moving up again - curves runs up, probably 2 1/2 times the crowd flies - possible more direct - CFF trail - Need a compass

→ Describe the road between the two sites which could be used for heavy vehicles -

★ That was the road I described earlier -

→ Relax further, I will call this main road.

★ Place yourself so that you can see the entire road at one time -

★ OK

→ Move back in time to 1944 - March, 1944 - 7-22 Mar 84 - Draw time line in your mind if you need to

4

- ★ OK, what do you want to know
- View the road - tell me the activities
- ★ Very cold, windy, a lot of traffic, a lot of military traffic. Raw Data - 00, Dark, slow, convoy feeling, vans, first vehicles frequently out of site of 1st vehicle, then very cold, a feeling of altitude. Coordination, canvas covered, maybe higher up helicopters - slow pace, icy, wet cold, troops, soldiers, some equipment, tired, cold, thin air Rocky
- This is excellent, stop now. You are directly on site - I am going to take you day for day - something special happens
- ★
- first day 7 mar
- ★ less cold, sunny, soldiers on foot, bitter cold walking slowly, possibly tanks, possibly bull dozer tunnel of some sort - circular, light dark than light, cylindrical, man walking, goggles, earflaps, alert, reconnaissance,
- NEXT day 8 mar
- ★ less sun, still cold noises - grinding, smells exhausts, dark, line of vehicles, huddled close together, can't tell if its night or in tunnel, apprehension here. Jerking, stopping/starting, grinding of gears, things going back/forward. Trying to find someone responsible (not me from). Typical confusion - long line of vehicles - lot of people soldiers, great coats, gloves, open trucks,

5

★ Trying to keep warm - Different than the light guards.
Morale, intelligence, pride -

→ Stop now you are in March 1984 - come back to this
time, relax and move back to sanctuary -
