SITE 1. elite gaurd force  
double poled entry. large building  
top of hill reminds me of  
MORMON TEMPLE. CLEARED AREA  
AROUND FENCE LINE THEN A  
TREE LINE.

AREA 2. FARMING AREA, SOLID  
MIDDLE CLASS. LARGE STRUCTURE  
WITH LIKE A PALACE IN  
FRONT OFF TO LEFT LARGE  
AREA LIKE A PARKING LOT  
WITH METAL OBJECTS LINED  
UP. I DO NOT THINK METAL  
OBJECTS ARE VEHICLES

AREA DIRECTLY BETWEEN  
SITES 1 and 2 IS VIRGINIA  
THERE IS BLACK EARTH Hills,  
Gullies, A SWAMP OR MARSH  
VERY LARGE ROUGH HILLS. Some  
PATHS AND ROADS LIKE LYMBON

ROADS THAT DO NOT APPEAR

TO GO ANYWHERE, TO TRAVEL  
THIS WAY would require 4  
WHEEL DRIVE A MAP AND  
A COMPASS.

A NOT TO BAD ROAD, HERE  
CALLED MAIN ROAD, CONNECTS THE  
TWO AREAS BY A ROUND  
ABOUT MEANS (SEE SKETCH)

ON MAIN ROAD IN MARCH  
1984 LONG LINES OF TRUCKS  
CARRY TROOPS IN BACK, SOME  
TARPS UP SOME DOWN.  
VEHICLES MOVING VERY SLOWLY.  
SOLDIER TIRES, COLD. SOLDIER,  
NOT OF SAME QUALITY AS  
ELITE GUARDS. SOME OTHER MILITARY  
VEHICLES TRAVELING INTER SPACED  
WITH TROOP CARRIERS.

1ST DAY, SUN SHINING

COLD. NOT MUCH TRAFFIC,  
 SEE 4 TO 6 MIN SPREAD  
 OUT ON BOTH SIDES OF  
 ROAD NEAR A TUNNEL.  
 ONE MAN HAS HAT AND  
 GOGGLES LIKE A TANKER.  
 THERE IS ONE VEHICLE HERE  
 BUT I CANNOT TELL IF  
 IT IS A TANK OR A  
 Bulldozer.

2 D DAY LONG LINE  
 OF VEHICLES, TROOPS IN BACK,  
 ALL CANVAS TAKEN OFF, TROOPS  
 ARE WARY, BUT COLD, VEHICLES  
 STOP, START, STOP, START, THERE  
 IS A LOUD NOISE AS GEAR  
 AS GROUND. AND A SMELL  
 OF EXHAUST FUMES. THE  
 TROOPS ARE WANDERING "AF/NO ANYONE"

MORALE IS LOW. AND I DO  
NOT SENSE A LOT OF PRIDE.  
TROOPS ARE NOT AS SMART  
AS ELITE SAHRA FORCE, AND  
IN FACT MAY BE OF A  
SLIGHTLY DIFFERENT RACIAL  
STOCK
