SUMMARY

Getting the perception of tall rectangles crowded together. There are two overlaying ideas; one is of a city with tall buildings; the other is of a bar graph..... something to do with population and economy.

Also getting the impression that there is a person with dark brown hair sharing this scene.

PROJECT "P"
4 SEPT 87

I KEPT ON SEEING LITTLE SWIFT LINES ON THE LOWER PORTION OF THE PAGE. THEY WERE BLACK AND CURVED AND IT LOOKED AS THOUGH THEY WERE DRAWN.

I SAW A PERSON DRESSED IN SHORTS RUNNING AND JUMPING IN AN OUTDOOR SETTING. I COULD SEE BIG TREES.
