SG11

1. (S/NF) In accordance with a Military Intelligence Board Decision, operational control of the subject program is transferred to the Office of the Deputy Chief of Staff for Intelligence (ODCSINT), Headquarters, Department of the Army. [redacted] ODCSINT-DAMI-PO, is the Sunstreak Program Manager. All inquiries on the program should be referred to [redacted] through August 1990 at which time the MIB will reconsider the program.

SG1J

2. (U) Intermittent DIA support from [redacted] in the Office of the Assistant Deputy Director for Scientific and Technical Intelligence (DT) may be required for the next few months. Procedures are to be established to have [redacted] available for periodic consultations as necessary, consistent with his normal workload.

SG1J

3. (U) The program staff will remain assigned to DIA for the duration of this fiscal year. The manpower authorizations are and will remain in DIA. While operational control of the staff will be exercised by ODCSINT, intelligence oversight, administrative control and support will remain with DT, including payroll accounting, appraisals, and military evaluation reports. ODCSINT is authorized to monitor appraisal and evaluation preparation, and will coordinate their closeouts through DT; no rating official changes will be made at this time as a result of this decision. During this period, travel requirements for the program manager and staff will be coordinated with DT for the provision of DIA fund citations. DT is to be the focal point for program accesses; however, all access to the program will be coordinated with the program manager.
