E. SESSION SUMMARY

The target has a big structure to put things into. It is large enough for people to get in and out of and the color dark red is associated with it. An engine is present and this object consists primarily of metal and the color black. It belongs in its environment because the area provides space to warehouse technology which is grounded. There are flat surfaces in the forefront of the photo. Electrical units, lights, are associated with the structure.

A hand-drawn sketch of mountain ranges, possibly the Alps, High Rockies, and Rocky Mountains. The drawing consists of several jagged, overlapping lines representing mountain peaks and ridges. The lines are drawn in a simple, sketchy style. The text 'Alps', 'High', and 'Rocky' is written vertically in the center of the sketch, and 'Mountains' is written horizontally across the middle of the sketch.
