E. SESSION SUMMARY:

Heated arguments between Saddam Hussein and the US as well as the UN will continue. Iran will provide its political support to Iraq. "Niolle/Nolle/Nole" surfaced phonetically as the name of a man having a role or function in the Saddam Hussein dispute. Saddam Hussein is not in good health. There may even be rumors of death surrounding Saddam but these will be greatly exaggerated. Iraq will come to an agreement with the UN. "Iraq's soil is reach (not further described)."

The Israelis will take a tougher stance towards the border areas of Lebanon.

Lebanese Shiites will establish a political power base within Lebanon.

Pablo Escobar is traveling south towards Tahiti where he will go in a form of self-exile with loyal advisors, an armed group of thugs. He sometimes travels through the Bermuda Triangle area by air. Escobar is quite tired (of arrangements) with Panama. The drug scene in the US will involve a greater number of ethnic groups. People placed in the states of California and Massachusetts he and abet Escobar. Escobar will get caught in about a year from now.

Fish currently living in the cold waters of Alaska will get sick as a result of an environmental catastrophe identified as "IOSS dumping." IOSS was not further defined.

The queen of Scotland (England) will be threatened with abduction. The name "RAWLES" phonetically surfaced in connection with this episode; however, the name was not further identified or described.
