E. SESSION SUMMARY:

Site consisted of energy shooting up from the ground and spreading all around. People were at the site working on an object that seemed to be a vehicle and I could see someone go inside the vehicle. At times the object was elevated from the ground. The object had a top that could come off and then the object could be elevated again. Sometimes it seemed that the people were working and looking down on a flat surface.

DS-5
for 19 Feb 92

Summary

DS-5 is a video depicting the arrival of three helicopters at a construction site of a skyscraper. There are four men atop steel girders evidently waiting for the helicopters to deliver apparently steel platforms. The platforms are hanging from the helicopters.
