

*[Handwritten scribbles]*

water flat along hallway  
(Reported)

*Buildings*

entrance  
no any

*[Handwritten notes in a cloud-like shape]*

4 April 1987  
at about  
1830-6:30

An activity  
performed  
at that  
is the nature  
of the activity  
\* What is the target site

1. No paper

~~XXXXXXXXXX~~  
890502  
V: 25  
S: 01

2. Localized ~~Development~~  
Area born of Chesapeake  
accident.

B. Remnants of the  
development of Chesapeake  
just.

C. Centra below

D. Activity selected  
Barrel - crucial  
development  
of ~~warriors~~ out  
they gone

Situation underlying

→ Location  
+ City w/ water  
+ roads low

(A)

2

- current As do need developer

- Security Value +

Wall is significant because

Entrance way -

follows center yellow & Rand.

- Registered here - need a contribution

- Building - simple structure

+ Mission receive telegram

- communication for forthright acts

B Entrance is safe engineering
