

8927

Ops Summary

8927

V. 079

S. 01

There is an intelligence commu-
nications network operating at
this geographical location.

additionally, there is a preoccupation
with troops (readiness?) ^{and} war zoning.

There is (evidence of) Soviet
industry and technology (established
and supported) on a supply and
demand basis.

There are isolated concepts

of ~~movement~~ upward movement;
also of boxes and squares associated

with progress and ^{the} movement of
"up and out."

Personnel present at the site are
military and military-related.

A war memorial ~~is~~ is located in
the geographical area of special
interest.
