- The problem in this area has to do with traffic and transportation routes to and from where aresnal of weapons are kept.

~~The U.S. position should be to help people out of this area within a week time frame.~~ with heavy emphasis

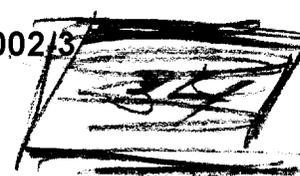

The new govt and govt heads will not be in place for another 3-6 months. The US should have the assistance of other countries, to include the Soviet Union,

- The names "Mr Fellow" and "Dr. Owens" phentically surfaced as being related to this issue.

the policy of regarding the help

- OAS involved here.
- Big concern - US position in this area.
