

~~SUMMARY # 1~~

SG1A

- The target company [redacted] is owned by ~~one~~ (one person) two or three partners.

- Narcotics are transhipped "to & from the islands to here."

- The company is a relatively small company

- The names "Molly/Molley" and "Allwater/Atwater" phonetically surfaced as being related to this effort [redacted]

SG1A

- The vessels ~~used~~ are more sophisticated than small fishing vessels; but, they are not "large vessels."

- Three or four, vessels or few vessels comprise the fleet.

- The narcotics are shipped intermittently as opposed to continuously.

- The owner(s) is ~~paid~~ paid in advance by "South American people and people"

from Mexico."

- The "self-owner" is a 40 to 50 year-old
black or
man with dark brown hair. He makes

money (from ~~see~~ the transport of drugs) under
the table from "harvesters/poor people."

- The "X" at ENCLOSURE 1, reflects the
^{presence of}
a tug, on land; ~~that~~ ^{it} is suspected
~~of carrying~~ of having illegal drugs
aboard.
