person?

glasses scientist-like

ASL brook
~~like a professor~~
~~or scientist~~

4 1/2 - this person is not very organized. thoughts and interests are bouncing around like a room full of ping-pong balls.

SG1J ASL brook
reminds me of [redacted]

4 1/2 This person is the proverbial "absent-minded professor, the type of person that gets so engrossed in his thoughts that he blindly walks into walls. He prefers to dress in shades of browns and tans, very conservative. He wears glasses.
